UNITED WAY OF LAKE COUNTY

A premier women's organization strengthening our community through philanthropy, leadership and volunteerism.
We are a network of women that leverages our passions, ideas, expertise and resources to ensure children living in Lake County’s most vulnerable communities are prepared for kindergarten and ready to succeed.

KINDERGARTEN COUNTDOWN CAMP,
Women United’s signature funded program, is a free summer learning boot camp for incoming kindergarten students who have little to no preschool experience.

IN LAKE COUNTY’S HIGH-RISK COMMUNITIES*:

- 79% live in poverty**
- 16% read at grade level**
- 35% upon entering camp
- 76% after completing camp
